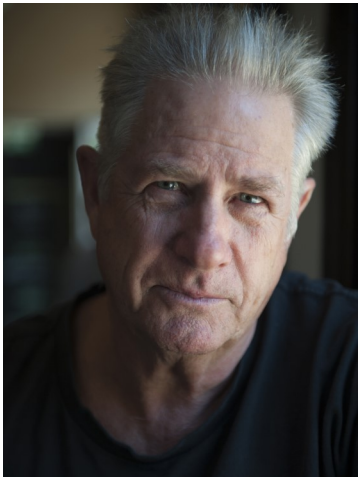
Sex, Sport and Socrates
with Dave Warner



Tuesday 3 March
6 - 7pm
Armadale Library

Known as the Suburban Boy thanks to his rock hit of the late 1970s, Dave Warner is one of Australia's finest wordsmiths as you will discover during this sublime hour of readings, autobiography, mock heroic poems and original music.

Last year Dave talked and sang us through his book ***River of Salt***, this year we will be the first in the world to hear about his upcoming novel ***Over My Dead Body*** and have Dave read some teasers from it. He will be aided and abetted by the remarkable Tony Durant on guitar.

As the title of the talk promises, Dave will also discourse on the pre-eminent role of Sex, Sport and Socrates in his life.

This is one event you don't want to miss.
