MADDINGTON

First Friday of each month 1-3 pm

Armadale Community Health Centre

3056 Albany Highway
ARMADALE

Third Friday of each month 1-3 pm

In response to the uptake of the Whooping Cough vaccination program for parents/grandparents and carers of newborns **EXTRA Clinics especially for ADULTS will commence as from Friday 4th March.**

- Parents/Grandparents & Carers can access this vaccine on presentation at a Community Health Clinic – as listed
- A consent form is required this should be obtained at the Maternity Hospital and should have the Mothers medical sticker attached
- The current Clinics will prioritise childhood vaccinations with ADULTS redirected to the afternoon Clinics where indicated
- Bookings are not required, but please be aware there may be a wait – both venues have access to a Waiting area & water cooler!
