Two Grant applications to Healthway have been successful for amounts of \$5000 towards an Aboriginal Drama programme and \$25,800 towards a Swimming and Aquatic Therapy Programme.

Consultation

City of Armadale Community Development Department
Department for Child Protection
Early Years Network
Aboriginal and Torres Strait Islander Advisory Committee
Aboriginal Reference Group
Aboriginal Community Groups and Organisations
Disability Services Commission
Disability Advisory Committee
Aquatic Centre Staff
Recreation and Sport Network
Premier's Physical Activity Task Force

BACKGROUND

The Drama Programme specifically for Aboriginal children is designed to share, showcase and raise the profile of the Aboriginal culture, including the issues many Aboriginal people face on a daily basis and promote understanding and tolerance.

The programme will aim to create a collaborative approach with members of the Armadale Aboriginal community and encourage family groups to work together to achieve the best possible outcomes. The objectives of the programme are as follows:

- To facilitate a common focus between Aboriginal children and their families by identifying themes/issues that can be addressed through drama.
- To use drama as a methodology to convey important messages to other children who may learn more effectively through this medium.
- To give children the opportunity to perform at an event open to the public.
- To assist children to build on their strengths and talents.
- To promote the skills, dedication and talents of Aboriginal children to the wider community.
- To provide mentorship for older children/teenagers and parents for them to take on a leadership role in directing further pieces

The Swimming and Aquatic Therapy Programme is designed to support people with disabilities and/or integration difficulties to participate in a variety of appropriate aquatic and swimming activities to improve overall health and fitness. A major component of the programme and funding approval is the sustainability past its initial period.

Anyone with an 'inclusion' difficulty regardless of gender, age or disability, will be eligible to participate. The eligibility criteria will cover anybody who is unable, or requires assistance to access regular sport and recreation opportunities in the general community.

DETAILS OF PROPOSAL

Drama Programme

It is proposed that the professional Director from Yirra Yaakin, an established Aboriginal Arts organisation, will facilitate the drama workshops and direct the performances. It is envisaged that the programme will include all facets of drama, including script development, dancing, costume design, set design, marketing and performances. The performances will be based on themes and issues identified by the Aboriginal community and will be presented to local schools and the general community.

The program will commence in July and is intended to be completed by December 2007. The workshops will be held at the former PCYC building on Champion Drive. It will be an activity that will compliment the development of the Indigenous Resource Centre previously reported to Council.

Swimming and Aquatic Therapy Programme

It is proposed that the delivery of the project will be located at the Armadale Aquatic Centre on Champion Drive with approximately (30) thirty people with disabilities and/or integration

difficulties participating. Recreation and Sport Network will train aquatic centre staff to coach participants. Referrals will be made via the Disability Services Commission's Local Area Coordination team based in Armadale and agencies and individuals in the community. In addition, it is expected that a number of other services will also be involved such as Armadale District Health Service and Armadale Home Help for the Aged.

It is envisaged that sustainability of the programme will result in referring participants onto established swimming and aquatic clubs and activities, once participants have completed their training.

COMMENT

Analysis

Drama is an artistic medium that has the capacity to link people together from different generations, socio economic status, race and gender. It can also be an effective, powerful way to impart important messages to an audience of all ages, for example the importance of education and good health.

The drama project seeks to bring these principles together to develop a culturally appropriate series of drama workshops relevant to Aboriginal children and their families.

The swimming programme is all about participation and inclusion that will create a number of choices based on the ability of a person. These opportunities over time will range from 'having a go' at basic level to competing in competitions via anticipated involvement with existing swim clubs based at the Centre. The programme will generate a 'how to' model for all future recreation based inclusive practices/projects undertaken by the City and the wider community.

Options

Council has the following options:

1. Accept the Healthway Grants of \$5,000 towards the Aboriginal Drama Programme and \$25,800 towards the Swimming and Aquatic Therapy Programme.
2. Accept the Healthway Grant of \$5,000 towards the Aboriginal Drama Programme but not accept the Healthway Grant of \$25,800 towards the Swimming and Aquatic Therapy Programme.
3. Accept the Healthway Grant of \$25,800 towards the Swimming and Aquatic Therapy Programme but not accept the Healthway Grant of \$5,000 towards the Aboriginal Drama Programme.
4. Not accept the Healthway Grants

Option 1 is recommended.

Conclusion

The opportunity of using grant monies combined with Council funds and resources to implement two programmes aimed at the Aboriginal Community and people with disabilities

and other integration difficulties is positive for the Armadale community. The aim is to achieve sound, inclusive and culturally appropriate community development outcomes.

RECOMMEND

That Council:

- 1. Accept the Healthway Grants of \$5000 towards the Drama Programme for Aboriginal children and \$25,800 towards the Swimming and Aquatic Therapy Programme.**
- 2. Pursuant to Section 6.8 of the Local Government Act 1995 (as amended) authorise the following expenditure:**

- Aboriginal Drama Programme \$5,000; and**

Amend the 2006 – 2007 Annual Budget as follows:

Expenditure

Community Activities - Increase by \$5,000

Revenue

Community Activities Grants - Increase by \$5,000

For the purpose of providing a Aboriginal Drama Programme

- Swimming and Aquatic Therapy Programme**

Expenditure

Seniors/Disabled - Seniors Activities - Increase by \$28,500

Revenue

Seniors/Disabled – Seniors Activity Grants - Increase by \$28,500

For the purpose of providing a Swimming and Aquatic Therapy Programme

**** ABSOLUTE MAJORITY REQUIRED FOR PART 2.**

Consultation

- Manager Parks
- Manager Recreation Services

BACKGROUND

Council, at its meeting held on 6 November 2006, approved the wording for memorial plaques to be placed in the following parks and reserves:

Alfred Skeet Oval
Barry Poad Reserve
Borrello Park
Bryan Gell Reserve
Fancote park
Gwynne Park
Lina Hart Memorial Park
Lloyd Hughes Park
Matthew Stott Reserve

Warwick Savage Reserve
William Skeet Oval

When approving the wording for the plaques it resolved (C62/10/06) as follows:

“that a further report be presented to Council on the proposed location of the above plaques following consultation with the Manager Parks and the Manager Recreation Services as appropriate”.

DETAILS OF PROPOSAL

The proposal is that Council endorse the recommended location of the plaques in the parks as described on the map of each park or reserve, and that the plaques be installed as soon as practicable. **(Refer to Attachment “A-1” – Summary of Attachments – buff page.)**

COMMENT

Options

1. Endorse the proposed location for the memorial parks.
2. Recommend alternative locations for the memorial parks.

Conclusion

It is recommended that Council endorse the proposed locations for the memorial parks.

RECOMMEND

That Council endorses the proposed locations for memorial plaques at Alfred Skeet Oval, Barry Poad Reserve, Borrello Park, Bryan Gell Reserve, Fancote Park, Gwynne Park, Lina Hart Memorial Park, Lloyd Hughes Park, Matthew Stott Reserve, Warwick Savage Reserve and William Skeet Oval as proposed in Attachment “A-1” to these Minutes.

Strategic Implications

Enhance our ability to embrace and manage change;
Ensure the Council is a proactive, enquiring organisation;
Ensure our workplace enable staff to be innovative and confident.

Legislation Implications

Nil

Council Policy/Local Law Implications

Council Policy ADM3 – Conferences, Seminars and Training.

Budget/Financial Implications

\$95 for one day
\$125 for three days
\$25 for the conference dinner

DETAILS OF CONFERENCE

Museums Australia WA is holding its State Conference, entitled *Know Your Place – Perspectives on Local Culture* at the Midland Redevelopment Authority and Midland Railway Workshops from Friday, 20 July to Sunday, 22 July 2007. A copy of the Conference brochure is attached. **(Refer to Attachment “A-2” – Summary of Attachments – buff page.**

Friday 20th is specifically designed to cater to the Local Government sector, with a strong emphasis on local culture and heritage, including papers on the blending of the arts, museums and galleries from a community and local government perspective; the economic benefits to be gained from the promotion of heritage, culture and the arts in your locality; and discovering how public art connects the past and the present and enlivens the local area. Lunch on that day will be held in the Interpretive Centre and Midland Railway Workshop’s multi-media ‘Workers’ Wall’ which in itself is a place that will be of great interest.

COMMENT

Given the City's significant place in Western Australian history and the current development stage that the City is entering into in respect of its museum and heritage service generally, this Conference offers many useful sessions, both practical and visionary. The Conference will have relevance in many instances to Armadale, and will also offer an opportunity for networking at a state level. In particular, the Friday session may be of interest to Councillors.

Conclusion

The Museum Curator has been involved with the planning of this Conference and is in fact conducting one of the Saturday workshops. The item is raised for information for any Councillor who may wish to nominate to attend the Conference. (Note that Management Practice ADM 3 Conferences, Seminars and Training 2 (d) states that *Where a member of Council at the date of the conference, seminar or training course has an electoral term of less than six (6) months to complete, such a member shall be ineligible to attend unless such is specifically authorized by Council.*)

RECOMMEND

That Cr..... be nominated to attend the Museums Australia (WA) State Conference entitled *Know Your Place – Perspectives on Local Culture* at the Midland Redevelopment Authority and Midland Railway Workshops from Friday, 20 July to Sunday, 22 July 2007, with costs incurred to be charged to Members' Development Account.

OR, if there are no nominations at the Council Meeting of 2 July 2007, then the resolution be as follows:

That Council make no nomination for the Museums Australia (WA) State Conference entitled *Know Your Place – Perspectives on Local Culture* at the Midland Redevelopment Authority and Midland Railway Workshops from Friday, 20 July to Sunday, 22 July 2007.

Budget/Financial Implications

Council resolution 48/2/07 authorised expenditure up to \$5,000 towards the establishment of a study assistance program (in the form of book vouchers) for the current financial year. To date, a total of \$3,000 has been awarded to 12 local students.

Consultation

Mayor

CEO

Local Government Authorities of Gosnells, Serpentine-Jarrahdale, Cockburn, Melville, Victoria Park and Swan.

BACKGROUND

At its meeting held on 19 January 2007, Council resolved (48/2/07) as follows:

“That Council:

- a. approve the establishment of a City of Armadale study assistance program (in the form of a book voucher) for the 2007 academic year, for local residents/students studying at Curtin University’s Armadale campus;*
- b. encourage the joint participation of the Armadale Redevelopment Authority;*
- c. authorise expenditure up to an equivalent value of twenty (20) \$250 book voucher subsidies (\$5,000 for 2007) from the City’s Economic Development budget for 2006/07;*
- d. approve the allocation of funds (book vouchers) up to the value outlined in (b) above and in line with the following minimum student assessment criteria:*
 - reside within the City of Armadale and be confirmed for enrolment at Curtin University’s Centre for Regional Education (CRE) based at the Armadale campus.*
 - be motivated, positive and willing to commit to their course of study.*
 - the determination of priority in allocating the City’s study assistance should be via demonstration that the absence of support could be a barrier to the student’s enrolment.*
- e. further consider an amount of up to \$10,000 per annum being included in Council’s Fifteen Year Financial Plan for the purposes of ongoing subsidy support for local residents/students studying at Curtin University’s Armadale campus and include this amount as part of its Annual Community Contributions;*
- f. establish a “sunset clause” for the termination of this program after 5 years of operation (commencing in 2007) subject to annual review of its operation and benefit with a view to ensuring that the program continues to meet Council objectives and is financially sustainable for the City.”*

A decision was made by Council to allocate a subsidy in the form of a Curtin University book voucher, redeemable by the student for course related books and acting in the form of a “line of credit” up to a certain value. This was based upon a “one off” allocation per student per course of study with approval limited to one course of study. It was thought that this would remove equity concerns in relation to full time vs. part time study and possible administrative issues associated with the assessment of “pro-rata” payments. It was intended that this would allow the individual student some freedom and control over the expenditure during the course of study and would also limit Council’s financial exposure over time. It was further recommended that Council review the operation and value of this subsidy program each year based upon both “value for money” and financial implications for the City.

The City of Armadale's primary criteria was that its book subsidy/voucher be awarded to students who were *residents of the City* and who were studying at or through the Armadale campus only.

The City received a positive response to the adoption of the assistance program, with 18 students from the Curtin Armadale Campus applying for the book vouchers out of a total of 25 enrolled students. However, only 12 of these students resided within the City of Armadale and were eligible to receive the \$250 book voucher subsidy. Of the total number of enrolled students, 13 were non-residents, living in the suburbs of Maddington, Gosnells, Langford, Thornlie, Byford, Yangebup, Success, Leeming, Bateman, Carlisle and Kiara, and therefore did not qualify.

DETAILS OF PROPOSAL

Given the number of non-resident applications from students attending the Armadale Campus it was considered appropriate that Committee and Council have the opportunity to review its prior resolution and in particular, the assistance to non-residents.

A number of options are available to Council including:

1. maintaining the "status quo" as per resolution 48/2/07 and only providing support to local residents;
2. offering a similar or reduced subsidy to non-resident students;
3. making a one-off contribution direct to the CRE for the purpose of providing shared resources (books) to be held at the Armadale Campus Library for use by all students.

In considering option (1), Council needs to bear in mind that there may be additional students from Armadale who commence study during semester 2, 2007 and as such will be eligible for a voucher from Council under the current terms and conditions. However, indications from the Campus Coordinator at this stage suggest that there will be few if any new enrolments for Semester 2, but enrolments are not due to be finalised until the second week in July.

In considering option (2), officers undertook to write to the relevant Local Government Authorities of the non-resident students, advising them of Council's resolution and the number of students from their area attending the Armadale Campus. Each was asked if they would be prepared to provide a 50% contribution (\$125) to assist these students with an intention that a possible recommendation to Committee that Council consider a matching contribution of \$125 per student. Although replies have not been received from all 6 Councils contacted, the 2 who have replied have been negative on the basis that it may set a precedent whereby expectations are raised to support residents that could be studying at any number of educational institutions within the state. In addition, they also provide their own scholarship or similar programs for local students/residents. Whilst this response is disappointing, it was not unexpected due to the potential precedent it sets both for the other LGAs and the City in terms of students studying outside Armadale.

Once again, the comments in option (1) related to the unknown number of students who may enrol in Semester 2 may also impact on the funds available to support these additional payments.

In considering option (3), this is perhaps one way the City can assist those students who are not residents, whilst at the same time, supporting all students at the CRE Armadale Campus.

A one-off allocation towards study resources (reference and text books etc.) may be the most direct way to support all students in addition to the current assistance for local residents. If this were the preferred option by Committee and Council, it would be recommended that no payment is made until the enrolments for Semester 2, 2007 are finalised so that there are sufficient budgeted funds to assist any local residents as a first priority.

Due to the response from local non-resident students, this report seeks Council's willingness to extend its Study Assistance Program to students enrolled at the Curtin University CRE (Armadale Campus) in accordance with option (3) above by providing a one-off contribution of \$1,000 for the purchase of books (reference and course text) to be retained as a resource at the Campus. This is seen as a means of encouraging and supporting both resident and non-resident students to take up the opportunities offered at the Armadale Campus. It is the officer's opinion that, due to budget constraints and concerns with setting a precedent by offering the subsidy/book voucher to non-complying students, that the provision of a one-off contribution of \$1,000 will benefit all students studying at the Armadale Campus.

Council's support is requested for a one-off contribution of \$1,000, subject to confirmation of final enrolment numbers for Semester 2, 2007, from funds remaining from the 2007 allocation of \$5,000 to the Curtin University's Centre for Regional Education (Armadale) Campus for the purchase of resource books for the benefit of all students studying at the Campus.

COMMENT

Analysis

In view of the substantial investment in the City via the Commonwealth Government through the allocation of tied University places and Council's very active campaign with the Armadale Redevelopment Authority to secure and fill the places for Armadale, it is considered appropriate that the City sponsor, through the extended study assistance program, a one-off contribution of \$1,000 to the Curtin University's Centre for Regional Education (Armadale) Campus to purchase books to be held at the Campus and to be made available as a resource to all students.

Options

If Council is not supportive of the approach outlined in this report it could:

1. Provide a reduced value contribution.
2. Consider an alternative as outlined in this report.
3. Not provide any further contribution at this time.

Conclusion

For the reasons outlined in this report, it is recommended that Council extend the establishment of a study assistance program to all Curtin University students at the Armadale

campus by providing a one-off contribution of \$1,000 for the purchase of books to be retained as a resource at the Campus for the benefit of all students.

RECOMMEND

That Council:

- a. approve the allocation of a one-off contribution of \$1,000 from the Economic Development budget in 2006/07 towards the purchase of books to be retained as a resource at the Curtin University's Centre for Regional Education (Armadale) for the benefit of all students, subject to verification of final enrolments for Semester 2, 2007.**
- b. give further consideration to providing an ongoing similar contribution during the period of the City of Armadale Study Assistance Program towards the purchase of books to be retained as a resource at the Curtin University's Centre for Regional Education (Armadale) should numbers of qualifying students fall short of the allocation provided for the book subsidy/voucher.**

VACANCY – WA LOCAL GOVERNMENT ASSOCIATION MEMBER – CONTROL OF VEHICLES (OFF-ROAD AREAS) ACT ADVISORY COMMITTEE

WARD All
FILE REF: LE/L/24
DATE 12 June 2007
REF YW
RESPONSIBLE Executive Director
MANAGER Community Services

In Brief:

- WALGA is seeking nominations for appointment of a Deputy Member (Panel of 3) to the Control of Vehicles (Off-Road Areas) Act Advisory Committee.

DETAILS OF PROPOSAL

Nominations are sought from Elected Members/Serving Officers for a Deputy Member (Panel of 3) on the Control of Vehicles (Off-Road Areas) Act Advisory Committee. **The Closing date for the receipt of nominations for the vacancies is close of business on Friday, 13 July 2007.**

Appointments are conditional on the understanding that nominees will resign when their entitlement terminates, that is, they are no longer Elected Members or Serving Officers of Local Government.

Ministerial Approval

Appointment to the positions requires a panel of 3 names to be submitted by WALGA to the Minister for the position. The Minister will nominate one person for appointment to each position to the Governor. It is **essential** that a curriculum vitae be submitted with your nomination form.

Equality	It should be noted that the Government is committed to providing equal selection opportunity for both indigenous and non-indigenous people and both genders and the WA Local Government Association encourages nominations accordingly.
Reason for Vacancy, Term and Commencement Date:	The vacancies are due to the expiry of the Committee on 30 June 2007. The term of appointment is for a period of 3 years expiring on 30 June 2010. Commencement date is upon appointment.
Meeting Details:	Meetings: Meetings are held on an “as required” basis, usually 4-5 times a year (usually 2 hours). Venue & Duration: Department of Local Government and Regional Development, Dumas House. Sitting Fee: Half day and full day sitting fees are applicable. Travel Allowance: Travel costs reimbursed in accordance with the Government policy on travel allowance.
Selection Criteria:	Nominee to address the following Selection Criteria: <ul style="list-style-type: none"> • Must be a current Elected Member/Serving Officer within the Operation of the <i>Control of Vehicles (Off-Road Areas) Act</i>. • What is your relevant experience as an Elected Member/Serving Officer? Please provide examples. • What are your experiences, skills, attributes or qualifications to support the

	<p>nomination? Please provide examples.</p> <ul style="list-style-type: none"> • Please demonstrate your interest in the position. • If successful, what do you see as your role and how would you represent Local Government and the Association?
<p>Terms of Reference/ Background Information:</p>	<ul style="list-style-type: none"> • Consider and make recommendations to the Minister upon, submissions, proposals, complaints and objections received from members of the public generally in relation to the use or proposed use of any land by vehicles. • Consider and advise the Minister upon submissions made by any local government, owners or occupiers of land, public authorities, and other interests likely to be substantially affected by the operation of the Act in relation to any land to which the provisions of the Controls of Vehicles (Off-Road Areas) Act apply or may be applied. • Carry on consultation with such bodies or persons as to the effect from time to time of the use of any land by vehicles. • The Minister may give the Committee directions of a general character as to the exercise of its functions, and the Committee shall give effect of such a direction, but any such direction may be distinguished between different classes of case. • The Committee shall, in so far as those duties are consistent with the provisions of the Act, carry out such duties as may be required of it by the Minister in furtherance of the objectives of the Act, but may of its own initiative, bring any other matter relevant to the Act to the notice of the Minister.
<p>Area of Operation of the <i>Control of Vehicles (offroad areas) Act</i></p>	<ul style="list-style-type: none"> • All Metropolitan Councils • Shire of Gingin • The Municipal Districts of the Cities of Bunbury, Geraldton & Mandurah. • The Municipal Districts of the Towns of Albany, Narrogin and Northam. • The townsite of Kambalda, Coolgardie, Tom Price, Newman, Karratha, Southern Cross and Harvey. ○ All the land on the seaward side of the Old Coast Road in the Shires of Waroona, Harvey, the Bussell Highway in the Shire of Capel, Busselton and Augusta-Margaret River. ○ All the land on the seaward side of the South Coastal Highway in the Shire of Albany. ○ Portion of the Shires of Ashburton, Carnarvon, Dandaragan, Greenough and Roebourne. ○ All National Parks and Nature Reserves throughout the State. ○ All Water Corporation metropolitan catchment areas.
<p>Membership:</p>	<p>The Committee is made up as follows:</p> <ul style="list-style-type: none"> • Department of Local Government and Regional Development (Chair) • WA Local Government Association • Off Road Vehicle Clubs (2) • 4WD Vehicle Clubs • Department of Environment and Conservation

For further particulars about the Committee please call:	Mr Matt Hayes Advisory Officer Statutory Support Ph: 9217.1500 Email: matt.hayes@dlgrd.wa.gov.au
For further particulars about the Nomination process please call:	Tim Lane WA Local Government Association Phone (08) 9213 2029 or email nominations@walga.asn.au

Should Committee determine not to nominate an Elected Member, the Executive Director Community Services would like to recommend that the Manager Ranger & Emergency Services be nominated for the position of WA Local Government Association Member to the Control of Vehicles (Off Road Areas) Act Advisory Committee.

RECOMMEND

That Cr..... be nominated by Council for the position of WA Local Government Association Member to the Control of Vehicles (Off-Road Areas) Act Advisory Committee.

OR, if there are no nominations at the Council Meeting of 2 July 2007, then the resolution be as follows:

That Council make no nomination for the position of WA Local Government Association Member to the Control of Vehicles (Off-Road Areas) Act Advisory Committee.

Strategic Implications

Social Infrastructure – To have in place the range of services to enhance the well being and safety of the community and to foster a professional environment for the effective governance and administration of the City’s services.

Legislation Implications

Section 3.12 Local Government Act 1995 – Procedure for making local laws.

Council Policy/Local Law Implications

Proposed amendments to the City of Armadale Parking and Parking Facilities Local Law (local law)

Budget/Financial Implications

Advertising costs have been allowed for in the current budget.

Consultation

Advisory Officer to the Parliamentary Joint Standing Committee on Delegated Legislation (JSCDL)

BACKGROUND

At its Ordinary Meeting on 5 February 2007, Council resolved as follows (C32/5/07 refers):-

“That Council recommit the matter of the proposed amendments to the City of Armadale Parking and Parking Facilities Local Law to the June 2007 Community Services Committee Meeting.”

COMMENT

Section 3.12(4) of the Local Government Act 1995 requires that after the last day for submissions Council is to consider any submissions and may make or amend the local law

** Absolute Majority Resolution required.*

At the close of submissions, 31 March 2007, no submissions were received from the public in relation to the proposed amendments to the local law. However subsequent advice received from the Department of Local Government and Regional Development (DLGRD) indicated there were several additional administrative/grammatical changes required. This advice was inconsistent with that which has been previously received from the JSCDL.

Notwithstanding the above, the suggested changes to the draft proposed amendment local law include the following:

- **General:** *As headings to clauses in local laws may not form part of the local law itself, your draft has been reworded where applicable to include a reference to the clause being amended in the body of the text under the heading.*
- **Title of the law** (located at the top of the page): *Please add “2007” to the title.*
- **Preamble** (located below the title): *You may wish to add the words “enabling it” to read “and under all other powers enabling it,” to be consistent with current drafting practice.*
- **Clause 1.3 is amended:** *In the principal local law, the top line of the note should not be in italics so as to be consistent with the other definitions with notes. Also, the definition itself from the Code currently is missing quotation marks around it. It is recommended therefore that you delete the definition of motorcycle from the principal local law and re-insert it in its correct format.*
- **Clause 2.3 is amended:** *Clause (a) has been reworded as the punctuation you have used does not match that of the principal local law and may cause confusion about what is being deleted.*
- **Clause 5.1 & 7.4 are amended:** *Please add full stops at the end of these sentences in your proposed local law after the end quotation mark.*
- **Clause 5.1:** *The clause has been reworded as your words to be deleted did not match the principal local law and the proposed words to be inserted did not appear to fit into the opening wording of 5.1 of the principal local law.*
- **Clause 8.3 is amended:** *The ‘and’ at the end of 8.3(c) needs to be deleted and moved to the end of (d), while (e) needs a full stop at the end.*

The amending text should read as follows —

Clause 8.3(c) is amended by deleting the word “and” after the semi-colon.

Clause 8.3(d) is amended by deleting the full stop at the end of the sentence and replace with “; and”.

Clause 8.3(e) is amended by inserting a full stop after the words “Schedule 3”.

Also, it is recommended that the amendments be numbered to avoid confusion.

- **Clause 9.1 is amended:** *The proposed amendments have been reworded.*

There should be a clearer instruction about the new paragraph numbers to be inserted as they appear as dot points under the proposed amendment to clause 9.1(3). Your proposed amendment relating to Clause 9.1(3) needs a full stop at the end.

Full stops are also required at the end of 9.1(1) and 9.1(7) of the principal local law.

- **Schedule 2 is amended:** *Please insert a full stop at the end of the sentence. Also, clause 9.1 has been changed to 9.1(1) to meet the JSCDL's request.*
- **Schedule 3 is amended:** *Please insert a full stop at the end of the sentence.*
- **Schedule 4 is amended:** *The words "By deleting Schedule 4" have been changed for drafting consistency as follows —*

Schedule 4 is deleted.

Furthermore, in the time since the original local law was gazetted (29 April 2003) the JSCDL has also raised concerns with other clauses in the WALGA Model Parking Local Law, that currently appear in the City of Armadale local law, namely:

1. Clause 8.2 'Averment on complaint as to clause 1.5(2) agreement'

The JSCDL considers that such clauses are not authorised nor contemplated by the *Local Government Act 1995*. The JSCDL 9th report states that, in relation to the Act, 'Section 9.13 only reverses the burden of proving the identity of the person who committed the offence; it does not reverse the burden of proving the existence of a valid private parking agreement'.

WALGA has deleted the equivalent clause from its Model Local Law.

2. Clause 3.5 'General prohibitions on parking'

With respect to the clause 3.5(2)(e) and (k) from your principal local law, the JSCDL has indicated that such wording is problematic and inconsistent with the *Road Traffic Code 2000* that provides that there must be at least 20 metres between a parked vehicle and a traffic light situated on the same carriageway.

To address these concerns, WALGA has reworded the Model clause (equivalent to your principal local law clause 3.5(2)) to commence with: 'Subject to any law relating to intersections with traffic control signals a person shall not park a vehicle so that any portion of the vehicle is:'

3. Clause 1.3 Definition of 'symbol'

In the definition of symbol, the reference to Australian Standard 1742.11-1989 should be updated to Australian Standard 1742.11.1999.

The DLGRD recommend that the City consider including these amendments at this time and whether the inclusion of such amendments would make the amendment local law significantly different from the proposed (and advertised) amendment local law. If yes, then the 3.12 process would need to be recommenced.

A detailed editorial analysis has been made of the recommended amendments and it is considered they do not constitute any significant difference to the advertised amended local law and as such there is no requirement to re-advertise.

COMMENT

Conclusion

The proposed City of Armadale Parking and Parking Facilities Amendment Local Law has been generally well received. Therefore, it is recommended that Council approve the proposed Parking Facilities Amendment Local Law incorporating the changes suggested by the JSCDL.

The balance of the process as detailed in the Local Government Act 1995 (Section 3.12) involves:

- Gazettal
- Finalised copy forwarded to the Minister
- State-wide public notice of the date the law becomes effective (i.e. 14th day after the day it is published in the Gazette)
- Ten copies to be forwarded to the Joint Standing Committee on Delegated legislation along with an Explanatory memorandum signed by the Mayor and CEO.

RECOMMEND

That Council pursuant to Section 3.12(4) of the Local Government Act 1995 proceed to adopt the proposed City of Armadale Parking and Parking Facilities Amendment Local Law as presented below.

LOCAL GOVERNMENT ACT 1995

CITY OF ARMADALE

Parking and Parking Facilities Amendment Local Law 2007

Under the powers conferred by the *Local Government Act 1995*, and under all other powers enabling it, the Council of the City of Armadale resolved on 2 July 2007 to make the ‘*City of Armadale Parking and Parking Facilities Amendment Local Law 2007*’.

In this local law, the City of Armadale Parking and Parking Facilities Local Law as published in the *Government Gazette* on 29 April 2003 is referred to as the principal local law. The principal local law is amended as follows:

Clause 1.3 is amended

- (a) In clause 1.3 the definition of a “motorcycle” and note is deleted and replaced with:

‘motorcycle’ has the meaning given to it by the Code;

Note: The Code defines ‘motorcycle’ to mean –

‘a motor vehicle that has 2 wheels and includes –

- (a) a 2-wheeled motor vehicle with a sidecar attached to it that is supported by a third wheel; and

- (b) a motor vehicle with 3 wheels that is ridden in the same way as a motor vehicle with 2 wheels, but does not include any trailer”

- (b) In clause 1.3 the definition of ‘symbol’ the reference to Australian Standard 1742.11-1989 is deleted and replaced with Australian Standard 1742.11.1999.

Clause 2.3 is amended

- a) Clause 2.3(2) is deleted.
- b) Clause 2.3(3) is amended by deleting “(3)” and inserting “(2)”.

Clause 3.5 is amended

Clause 3.5(2) is amended by deleting the words “A person shall not park a vehicle so that any portion of the vehicle is” and inserting “Subject to any law relating to intersections within traffic control signals a person shall not park a vehicle so that any portion of the vehicle is”

Clause 5.1 is amended

Clause 5.1(b) is amended by deleting the words “a motor vehicle taking up or setting down passengers” and inserting “a motor vehicle that completes the dropping off or picking up of passengers within two (2) minutes of stopping and then drives on”.

Clause 7.4 is amended

Clause 7.4 is amended by inserting paragraph number “(2)” at the beginning of the sentence starting “The first three”.

Clause 8.2 is amended

Clause 8.2 is deleted

Clause 8.3 is amended

- a) **Clause 8.3(c) is amended by deleting the word “and” after the semi-colon.**
- b) **Clause 8.3(d) is amended by deleting the full stop at the end of the sentence and replacing it with “; and”.**
- c) **Clause 8.3(e) is amended by inserting a full stop after the words “Schedule 3”.**

Clause 9.1 is amended

- a) **The heading of Clause 9.1 is amended by replacing “Removal and Impounding of Vehicles” with “Removal and impounding of vehicles”.**
- b) **Clause 9.1(1) is amended by inserting a full stop after the words “written law”.**
- c) **Clause 9.1(3) is amended by replacing the words “these Local Laws” with “this Local Law”.**
- d) **Clause 9.1(4) is amended by replacing the words “Local Government” with “local government”.**
- e) **Clause 9.1 is amended by:**
 - i) **Inserting paragraph number “(5)” before “Where an authorised person finds....”**
 - ii) **Inserting paragraph number “(6)” before “Where an authorised person removes....”; and**
 - iii) **Inserting paragraph number “(7)” before “A notice”.**
- e) **The newly numbered clause 9.1(5) is amended by replacing the words “authorised person” with “Authorised Person”.**
- f) **The newly numbered clause 9.1(6) is amended by replacing the words “Local Government” with “local government”, “these Local Laws” with “this local law” and “authorised person” with “Authorised Person”.**
- g) **The newly numbered clause 9.1(7) is amended by replacing the words “these Local Laws” with “this local law” and inserting a full stop after “3”.**

Schedule 2 is amended

In Schedule 2, item 68 is amended by replacing the reference to clause number “7.6” with “9.1(1)”.

Schedule 3 is amended

In Schedule 3, Form 5 is amended by replacing the word “city” on the third line of the final paragraph with “City”.

Schedule 4 is amended

Schedule 4 is deleted.

PROPOSAL TO DEVELOP A CONCEPT PLAN FOR FRYE PARK

WARD All
FILE REF: P15808
DATE 20 June 2007
REF PGQ
RESPONSIBLE Executive Director
MANAGER Community Services

In Brief:

This report recommends that Council:

- Support the proposal to develop a Concept Plan for Frye Park that seeks to achieve optimum usage and benefit from the Park, and help ensure that any future redevelopment occurs in a planned and coordinated fashion.

Tabled Items

Nil

Officer Interest Declaration

Nil

Strategic Implications

- Deliver a range of services to meet the needs of the community
- Maintain physical infrastructure for the economic and physical well being of the local community.

Legislation Implications

Nil

Council Policy/Local Law Implications

Nil

Budget/Financial Implications

This report recommends that \$10,000 be allocated from existing budget allocations for Consultancy Services in Council's draft 2007-08 budget to develop a Concept Plan for Frye Park. Subject to the outcomes of the Concept Plan and Council being supportive of the proposal to upgrade Frye Park, there would be implications for Council's 15 Year Financial Plan beyond 2007-08.

Consultation

- Mayor and Councillors
- Manex
- Kelmscott Soccer Club
- Kelmscott Cricket Club
- Community and Technical Services staff

BACKGROUND

The need to upgrade facilities at Frye Park, Kelmscott has been the subject of a number of previous reports to Council, and was also discussed at the recent 15 Year Financial Plan Councillor Workshops.

The proposal to upgrade Frye Park forms part of an overall strategy to progressively upgrade the City's Parks and Reserves, both active and passive. The condition of facilities at Frye Park are poor and do not meet current and future needs of the local community and this report recommends that Council take the first step towards upgrading the Park by preparing a Concept Plan to guide any future redevelopment of the Park.

DETAILS OF PROPOSAL

The proposal is to develop a Concept Plan for Frye Park that will seek to achieve optimum usage and benefit from the site, and help ensure that any future redevelopment occurs in a planned and coordinated fashion. The Concept Plan will guide the future redevelopment of the reserve which will ultimately see an aesthetically attractive and functional complex that meets the long term need of the local sporting community.

In consultation with the Executive Director Technical Services and Manager Parks, a draft Consultant's Brief has been prepared which requires the consultant to develop an overall site plan of the reserve, a floor plan and elevations of the pavilion building, a written report that provides explanatory text on the key elements of the Concept Plan, and cost estimates for any construction works that are proposed.

The cost estimate to develop the Concept Plan is \$10,000 (plus GST) and could be funded from Consultancy budget allocations within Council's draft 2007-08 budget.

COMMENT

Analysis

The need to upgrade facilities at Frye Park is clearly evident and Council has previously Resolved (C163/11/04) to consider this proposal as part of its review of the 15 Year Financial Plan. The current Needs Assessment and Feasibility Study for Active Sporting Reserves also supports the need to upgrade facilities at Frye Park at this time. Of all the City's active sporting reserves, Frye Park is currently considered to be the venue with the greatest need for upgrading.

If Council is supportive of the need to upgrade facilities at Frye Park, the next critical step in the planning process is to develop a Concept Plan for the Park. The Concept Plan will allow Council establish a vision for the future redevelopment of the Park and provide cost estimates for any works that may be proposed along with staging options.

Options

If Council is not supportive of the proposal presented in this report the alternative is to not progress any plans to upgrade facilities at Frye Park at this time. This option is not recommended and would eventually see the facilities deteriorate to the point of being unusable by the sporting clubs and the local community.

Conclusion

For the reasons outlined in this report, it is recommended that Council support the proposal to develop a Concept Plan for Frye Park that seeks to achieve optimum usage and benefit from

the Park, and help ensure that any future redevelopment occurs in a planned and coordinated fashion.

RECOMMEND

That Council support the proposal to develop a Concept Plan for Frye Park that seeks to achieve optimum usage and benefit from the Park, and help ensure that any future redevelopment occurs in a planned and coordinated fashion.

MOTION CARRIED/LOST ()

1. POS Funds for Heron Ward

At the Council Meeting of 5 June 2007, Cr Stewart raised the following matter under Matters for Referral to Standing Committees – Without Discussion:

“That the matter of POS funds from Heron Ward be referred to both the Community Services and Technical Services Committees.”

Cr Stewart has provided the following report to Committee.

It is a matter of public record that Council has endorsed the City invest resources into improving and enhancing the recreational facilities within the Heron Reserve precinct. However, it has not been an item of budget consideration given the current financial constraints. As P.O.S monies now become available, I suggest that the process be taken to the next logical step and the City begin with consultation and a timeframe for extension of the enhancement programme.

Historically this area has had only modest facilities. In the twenty five years since the locality became a major residential area only two child orientated structures have been placed in its environs. These are useful, yet somewhat small in scale.

There are no facilities of note that enhance the recreational experience for older children and teenagers. There are no family facilities or structures that would lend themselves being of use to seniors and indeed general passive recreational street furniture consists of a couple of benches.

I would therefore seek that Council, (through this Committee) deliberate on supporting a recommendation that initiates consultation with the public, consultation with ward members, all other Elected Members and that relevant officers report back to Council on the progress of these activities for your information and further input.

At the Council meeting held on 18 June 2007, Cr Reynolds referred the following matter to the Technical Services Committee.

That in dealing with items referred by Cr Stewart to both the Technical Services and Community Services Committee relating to Heron Reserve that officers take into account Council Resolutions T87 of August 2003 and T77 of June 2002.

T87/08/03 RECOMMEND

That a comprehensive park development concept plan/improvement programme be designed and costed to allow for consideration in the Five Year Works Programme to be updated in 2003, along with other priority park development projects.

RECOMMEND

That a report be provided outlining possible future uses of the Westfield (Heron) Reserve and associated Montrose Circle Reserve to allow for consideration in the Five Year Works Programme when it is updated in 2003.

RECOMMEND

Committee to discuss.
