

Tell us about
your suburb...

Growing
our Community

Did you know that there are 19 suburbs and 91,668 residents in the City of Armadale?

The City of Armadale works alongside a variety of external agencies (Government, community groups, not-for-profits/service providers) to deliver services and support to your community.

We are talking to people in your suburb to determine two important factors. Firstly, what you think is unique and what you love about the place you live; and secondly, where you feel there are gaps in the social fabric of your suburb.

You are invited to complete a quick survey to tell us what you think. The information gathered will help the City better understand each of the individual communities within the City of Armadale. This information will help Council continue to 'grow the happiness' of your suburb and support external agencies and community groups to fill the gaps in your local area.

To complete the survey visit www.surveymonkey.com/r/yoursuburb

The City will hold a feedback session later in the year where we will share the results of this project.

Leave your contact details for a chance to **WIN one of four \$250 fuel vouchers.***
