## URBAN BEEKEEPING

**SATURDAY 11 NOVEMBER 2023**

Come along and learn what is involved in becoming an urban beekeeper. Aaron and Kelly are hobbyists turned small business beekeepers who simply love to talk everything bees!

Having kept bees for 10 years they enjoy sharing their learnt knowledge and experiences with those interested in becoming apiarists. The practice of keeping beehives in towns and cities can be very rewarding; however, with it comes some challenges which require good beekeeping practices.

During this session Aaron and Kelly will discuss all you need to know in how to get started in what can be a fulfilling backyard hobby.
