TRAINING TIPS

REPS: A rep is the number of times you repeat the same exercise in one group, or a set

SETS: A set is the number of times you repeat a group of exercises

TECHNIQUE: Only select exercises that you can perform safely without putting your body at risk of injury

Use basic body positioning for all exercises

- Straight back/tighten core muscles/shoulders back/bend knees during exercise
- Allow the body to breathe normally throughout the exercise

For a challenge, try repeating this workout 2-3 times!

SAFETY

Please seek guidance from an appropriate allied health professional or medical practitioner prior to undertaking exercise. Cease exercising immediately if you feel faint or unwell and seek assistance.
