

Application to carry out Works in a Road Reserve

Please complete this application in block letters and submit to the City of Armadale, together with any relevant documents to support the application.

Road closures are to be avoided and traffic flows and movements are to be maintained at all times. A Traffic Management Plan will be required for most works in road reserves even where works obstruct footpaths only.

It is the responsibility of the applicant to advertise prospective works in a state-wide newspaper and notify emergency services and affected residents at least 14 days prior to the works. The costs incurred will be met by the applicant.
