Application for a Crossover

To obtain permission to construct a new crossover or replace/widen an existing crossover please complete this application and submit to the City at least one (1) month prior to the anticipated construction of the crossover via email info@armadale.wa.gov.au or in person to the City's Administration Centre. Once approved you will receive formal approval to construct the crossover.

(Min 100mm compacted base & 80mm pavers required)

Asphalt: ☐
(May not be permitted in some areas)
Colour:
- Red ☐
- Black ☐

Other: (Please specify) ☐

Concrete: ☐
Colour:
- No Colour ☐ (May not be permitted in some areas)
- Black ☐
- Red ☐
- Terracotta ☐
- Dark Brown ☐
- Light Brown ☐

Location of Crossover

Please draw the location of crossover showing its dimensions (width from property and at roads edge) and include any streetlight poles, verge trees, pram ramps or side entry gullies.

	Property Boundary		Roads Edge	
Property Type	**Minimum width**	**Maximum width**	**Minimum width**	**Maximum width**
Residential:	3 metres	6 metres	5 metres	8 metres
Commercial/Industrial:	6 metres	10 metres	8 metres	12 metres

Conditions of Application

1. Location of crossover and required width of crossing to be shown on building site plan or sketch above
2. Building site plan to state 'crossover to be constructed to council's specifications'
3. If the proposed location of a crossover conflicts with verge trees, traffic islands or any other obstructions please contact the City's Administration & Compliance Officer on (08) 9394 5000.
4. Where a footpath exists on the verge, the footpath has preference and is to remain intact unless otherwise agreed in writing by the City.
5. It is the owners/builders responsibility to abide by any regulations and sub-divisional convents set by other agencies.

Important notes

A residential crossover is eligible for a subsidy provided:

- ✓ No crossover has previously been constructed*
- ✓ A subsidy has not been paid previously and
- ✓ It is constructed to Council's specifications

*In addition, a subsidy may be paid to a current owner of a property who upgrades an 'old damaged Asphalt crossover' which is considered by Council to have served its useful life.

Payment of any crossover subsidy will be made following the completion of a Crossover Subsidy Application form from the applicant. The crossover shall be inspected and approved by the City's Administration and Compliance officer prior to the payment of the subsidy.

Declaration

I declare the crossover listed in this application will be constructed in accordance with the City's specifications for the crossover construction and it is my responsibility to abide by any regulations and subdivisional convents set by other agencies.
