

Baby Rhyme Time

Spend quality time with your little ones and encourage their early literacy skills with songs and rhymes, as the City of Armadale Libraries host some free Rhyme Time sessions.

The rhythm and repetition of rhymes helps babies and children learn about words, sounds and language.

Bounce and sing along with your baby to some favourite nursery rhymes, and learn some new tunes to entertain and educate your baby at home.

Sessions are suitable for babies aged zero to two years. Siblings are welcome. All sessions will include some baby sensory fun!

Please leave prams at home when possible as space is limited.

Bookings are not required, however childcare centres and groups must contact the library beforehand if planning to attend.

These sessions are subject to change and will not occur on public holidays or if the library is closed.

See over the page for the planned dates in 2023.
