CITY OF **Armadale**

A MESSAGE FROM

OUR MAYOR

Welcome to the City of Armadale's 2024 Armadale Arts Festival. This time of year is the pinnacle of our annual arts and culture calendar. We are delighted to provide multiple opportunities for everyone to participate in the arts.

The festival runs in conjunction with the Minnowarra Art Awards Exhibition at the Armadale District Hall. The continued success of the Minnowarra Art Awards Exhibition allows us to build an exciting 16-day festival around it.

The Armadale Arts Festival is filled with events and activations. This includes established favourites from the Armadale Arts Bush Trail, Positive Ageing High Tea and new additions such as the Headliners Comedy Gala and the Defying Gravity Percussion Ensemble: Dream Garden from WAAPA. We also have an assortment of activities in our libraries, History House Museum, the Armadale Arena/Recreation Centre, and more.

This festival encompasses a wide selection of activities, events and workshops provided by community groups and creative

businesses. There are plenty of free options available, and opportunities for all ages, in so many different areas of the arts.

This year we welcome Lotterywest who are supporting the overall Armadale Arts Festival. Thank you for helping us deliver this program of events to our community.

I acknowledge all the artists for their time putting together this program. This includes those visiting the City, and those who call the City home. Thank you for sharing your art with us and the world.

I encourage everyone to review the program of events, get involved, and be immersed in the Arts!

R. Butterfield
