## Author talk with Candice Fox

From the thrilling mind of best-selling Australian author Candice Fox comes a look at what happens when a city's heroes become its boldest criminals.

With books set in Sydney, steamy Northern Queensland, the Nevada desert, and the streets of Los Angeles, she now turns her focus to the firehouses of New York. Candice flew over to research and visit stations across the city, in hopes of finding some firefighters who'd speak with her.

Join Candice for the afternoon as she speaks about her latest novel.

Books available for purchase and signing after the session.
