

Common mistakes photographers make ...and how to fix them!

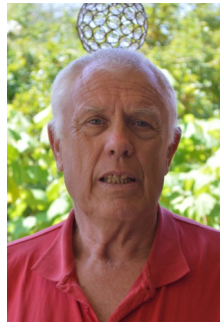

Tuesday 22 January, 1.30 - 3pm at Armadale Library

DSLR cameras are complicated to use so let photographer Mick Dixon make it simple for you.

Mick will go over the functions of DSLR cameras, and then turn his attention to the most common mistakes photographers make and how to fix any problems you have experienced.

Bring your DSLR camera, any problem images and a pen and paper to take notes and start shooting like a pro!

Places are limited and bookings are essential. Call 9394 5125 or visit library.armadale.wa.gov.au to book your place.

If you are unable to attend after booking please notify the library.
