

Introduction to LEGO SPIKE Prime

Go on a journey of innovation as you dive into the world of robotics and engineering with LEGO SPIKE Prime!

Discover the thrill of constructing your own robots from basic mechanisms, to intricate designs. Explore the limitless possibilities of combining bricks, motors, sensors, and more.

You will learn how to program your creations to navigate challenges, follow commands, and even respond to the environment.

Every Tuesday, 23 April - 18 June, 3.30 - 4.30pm at Seville Grove Library

These sessions are for people 9 to 12 years of age.

Places are limited and bookings are essential for each child.

Visit library.armadale.wa.gov.au or call **9394 5800**.

Please note: You are booking for the full series of dates.

Parents or carers must stay with their child during these sessions.

If you are unable to attend after booking please notify us.
