

The beauty of local wildflowers

A series of seasonal talks

Birak

Monday 6 December
2 - 3pm
Armadale Library

Join members of the Wildflower Society when they present the third in the series of talks about wildflowers that bloom during each of the six Noongar seasons.

This presentation covers the season of the first summer - ***Birak***, which falls during the months of December and January.

Decreasing rains and rising temperatures towards the end of Kambarang, are both conditions that indicate the approach of the season of Birak.

Despite the rapid drying out of the bush, there is still a surprising number of plants yet to produce their beautiful blooms, including the Western Australian Christmas Tree whose spectacular display meant the 'first' Noongar summer had arrived.

This session is for adults.

Places are limited and bookings are essential.
Visit library.armadale.wa.gov.au or call 9394 5125
to book your place.

If you are unable to attend after booking please notify the library.

The beauty of local wildflowers

A series of seasonal talks

Bunura

Tuesday 1 February
2 - 3pm
Seville Grove Library

The Wildflower Society present the fourth in this series of talks about wildflowers that bloom during each of the six Noongar seasons.

Bunura, the second summer of the Noongar seasons is the time of great heat and drought.

Yet the valleys and slopes of the Darling Range and the land immediately below the scarp explodes with the spectacular flowering of the Marri trees.

These trees had great significance to the Noongar people who called it the 'Medicine Tree'. Learn why they were so special, and not only to the Noongars.

This session is for adults.

Places are limited and bookings are essential.
Visit library.armadale.wa.gov.au or call 9394 5800
to book your place.

If you are unable to attend after booking please notify the library.
