

Volunteer information session with a difference!

Been considering volunteering? Armadale Volunteer Services would like to invite you to an information session with a difference.

Come along to a brief outline of what volunteering is all about before chatting to representatives from organisations who have volunteer opportunities available, on a one-to-one basis in a “Speed Dating” format. A light lunch will be provided.

Volunteering is a great way to meet new people, keep your mind and body active, fill in some spare time and help your community and you could find your “perfect match” volunteer position here.

Tuesday 21 May | 10.45am – 1.15pm
