

# ARMADALE ALIVE

## SOCIAL PRIORITIES

*Things people love about...*

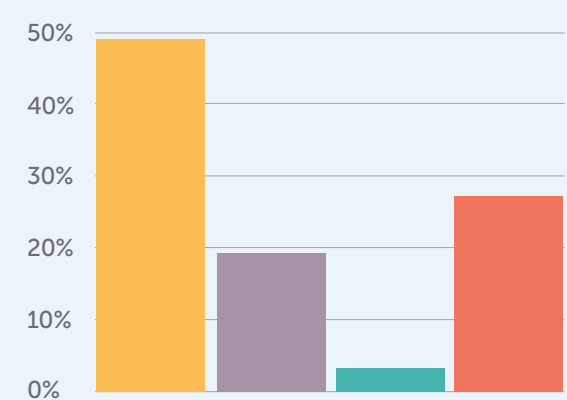

August marks the start of the *Growing Our Community* series where we highlight suburb-level results from our 2021 community survey. This project engaged with community members and service providers to gather feedback about local aspirations and issues, and was a vital element in identifying social priorities across our diverse suburbs.

### Armadale (North and South)

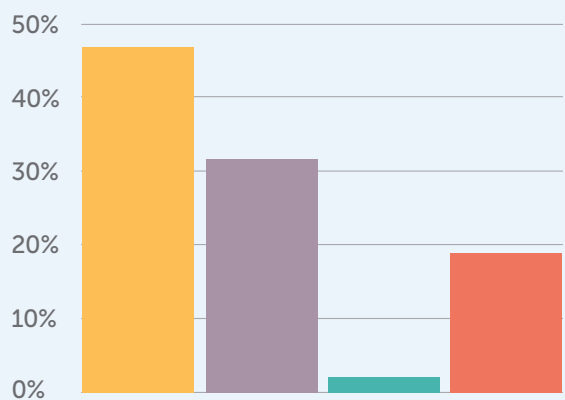

“I love where I live, it is close to shops and public transport and open spaces such as Minnawarra Park.”

### Bedfordale

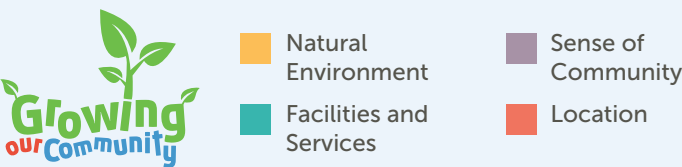

“I love the atmosphere it’s very quiet and peaceful, and the people are kind. It’s also a nice place to walk.”

### Roleystone

“Quiet and friendly community. Amazing food places and natural environment.”
