COVID-19 UPDATE

As the Perth Metro area and Peel region transitions out of lockdown and in line with the State Government directives, the City has enacted COVID Safe Plans and additional hygiene measures at all facilities.

Currently wearing masks will remain mandatory when in public and as such, must be worn at

ALL venues. Contact registers and SafeWA will continue as part of post lockdown life.

The City will continue to follow the State Governments directives and health advice and do what's in the best interests of our community.
