

ARMADALE ALIVE

Let's Connect ARMADALE EXPO

FRIDAY 18 FEB 2022
10am to 5pm
Armadale District Hall

Come and get connected to a range of local community services during this **FREE** Expo.

Join the City of Armadale and local community services organisations for this free one day Expo, showcasing a range of organisations and service providers available in Armadale and surrounds.

- Employment • Youth, children & family
- Disability, access & inclusion • Seniors
- Multicultural • Aboriginal • Emergency relief

Bookings are essential via **Eventbrite**.

LOOK AFTER YOUR BEST FRIEND!

With Perth experiencing a heat wave, the City's rangers are reminding dog owners to be pawsome!

If your pooch is spending time outdoors make sure they have access to lots of shade and water and can walk around freely ... rethink taking your doggo on that car trip - cars heat up quickly and before you hit the pavement for a walk - check the temp with your feet - if it's too hot for you to walk barefoot it's too hot for your pup's paws!

TELL YOUR STORY

Wednesday 16 February
6.30pm – 8pm | Armadale Library

Have you or past generations of your family migrated from overseas to the City of Armadale?

History House Museum is creating a permanent exhibition about the story of migration from 1830 to present day.

We would love to connect with you and hear your personal story and share your experiences – on migration and how it continues to shape our community that you now call home.

Attend a workshop and have your say on themes and stories to include in the exhibition – and bring along any photos or objects that help tell your story.

Registrations are essential. Please email museum@armadale.wa.gov.au or phone 9394 5670

COMMUNITY GRANTS

Round 2 opens — Tuesday 1 March

Are you a sporting club, school P&C, community group, or not-for-profit organisation eager to make a difference in the community?

Community grants are available from \$1,000 to \$5,000 for projects, events or equipment that will benefit the local community.

To be eligible to apply, groups must discuss their project with a member of the Community Development team prior to submitting an application.

Email info@armadale.wa.gov.au or call 9394 5638 by **21 March** to register your interest and discuss your project before applications close on **28 March, 2022**.

VERGE WASTE SURVEY

We're reviewing the verge collection service for bulk hard waste and green waste. Let us know your thoughts on how the current collections are working for you and ways we can improve bulk waste verge collections.

Complete the survey for your chance to win one of four \$100 grocery vouchers - scan the QR code to complete the survey online or visit the City's libraries or Administration Centre for a hard copy.

Survey closes 28 February
