

# AUSTRALIA DAY

*In the City of Armadale  
your backyard*

**YOU THROW THE PARTY, WE'LL  
PROVIDE THE ENTERTAINMENT**

Australia Day is going to look different this year. To ensure everyone's safety we won't be hosting a big event in Minnawarra Park. Instead, get your friends and family together and enjoy the day in your own backyard.

We're encouraging you to throw your own Aus Day event at home while we sort out the entertainment. Partnering with Heritage FM, we'll be providing a live broadcast on Tuesday 26 January from 12 to 9pm, to bring you some great Australia Day tunes from your favourite local artists.

We hope we can bring you a bigger event again next year, but for now invite your friends and family over - even invite your whole street! Enjoy a classic Aussie backyard BBQ, or head to one of the City's great parks to play a game of cricket and cook your snags on one of our public BBQ's.

**Get involved by sharing your 2021 Aus Day in Armadale experiences with us and our community online!**
