

# ARMADALE ALIVE

*Have your say!*

**IMAGINE ARMADALE**

**20 YEARS FROM NOW**

Community Workshops

New Local Planning Strategy (LPS)

Would you like to see....

-  More diverse forms of housing?
-  More areas for employment and economic activity or a cute new local cafe to sip coffee at?
-  Greener developments which protect the environment?
-  Better connected/integrated transport networks for bikes, pedestrians, buses, trains and cars?

We're hosting workshops to bring the community together to brainstorm what the future of living, working and playing in Armadale looks like.

So come along, bring your ideas, and share refreshments with your neighbours as you influence the look of your local community.

- Kelmscott Hall - Wednesday 13 July, 6.30pm
- Churchman's Brook Community Centre - Thursday 14 July, 6.30pm
- Baker's House, Harrisdale - Thursday 21 July, 6.30pm
- Armadale District Hall - Tuesday 26 July, 6.30pm

Refreshments provided and registrations are essential, search 'Local Planning Strategy Armadale' on Eventbrite.

For further information on the LPS visit

## NATIONAL TREE PLANTING DAY

**SUNDAY 31 JULY**

9am to 12 noon | Saddlers Retreat, Kelmscott

The City, in partnership with the Armadale Gosnell's Landcare Group, is seeking volunteers to assist with planting 4000 native seedlings along the beautiful Djarlgarra (Canning River).

Please bring your own gumboots, gloves and water bottle, wear appropriate clothing for the weather and meet other like-minded volunteers.

*This project is supported by funding from the Department of Biodiversity, Conservation and Attractions Riverbank Program.*

## PLASTIC FREE JULY

Join with millions of people who are choosing to refuse single-use plastics like avoiding bottled water or pre-packed fruit, vegetables and meat to create a world without plastic waste.

Some sad facts about our oceans:

- 8 million tonnes of plastic pollution enters our oceans each year
- By 2050 it is estimated there will be more plastic than fish in our oceans
- More than 270 marine species are affected by marine debris

Do your bit for mother earth and 'choose to refuse' single-use plastic during July.

## ALZHEIMER'S WA

*Enrich your brain*

**WEDNESDAY 27 JULY**

1pm to 2.30pm

Armadale Library

Hear from dementia care experts Alzheimer's WA as they discuss different types of dementia, the causes and how to reduce your risk.

Places are limited and bookings are essential.

Visit [library.armadale.wa.gov.au](http://library.armadale.wa.gov.au) or call 9394 5125.
