

ARMADALE ALIVE

GREENING OUR CITY *with trees*

FRIDAY 18 MARCH

Virtual workshop | 6pm start

Join gardening personalities Sue McDougall and Neville Passmore for this interactive virtual information session on Sustainable Urban Forests.

Learn about the benefits of planting street trees and the challenges facing our urban forest. Hear why the tree canopy throughout the City is being expanded, ensuring our streets remain leafy and healthy.

Register now: DHewston@armadale.wa.gov.au and we'll send you the link to join the virtual workshop from home!

CLUB NETWORK EVENT

FRIDAY 25 MARCH

Attracting and retaining volunteers can be difficult. This workshop will enable you to network with other local sporting clubs and provide examples on how to attract volunteers to your club.

Hear first-hand from guest speaker, ex Eagles player Glen Jakovich, on different strategies to attract volunteers to your organisation.

Bookings are essential – RSVP to ClubDevelopment@armadale.wa.gov.au

Growing *our* Neighbourhoods

FRIDAY 25 MARCH

Champion Centre | 4 - 5pm
76 Champion Drive, Seville Grove

Do you know your neighbours?

The City is hosting these community sessions facilitated by Neighbourhood Connect Inc. for residents to gain the tools, support and confidence to connect with their neighbours.

Come along to a session for a free cuppa and chat on developing street connection, and collect a free toolkit to assist you in getting to know your neighbours.

Bookings essential for catering purposes via Eventbrite.
