Volunteers NEEDED!

Are you interested in local history? History House Museum has several volunteer positions available.

Volunteer work can include welcoming people to the museum, photographing and cataloguing items, and helping with special projects, research, and object care.

All necessary training provided, though basic computer skills are desirable.

If this sounds interesting to you, please contact the City on 9394 5670 – we'd love to hear from you.

MORE WAYS TO RECYCLING RIGHT

Did you know there are still ways to recycle items you can't place in your yellow lid recycling bin?

Soft plastics, including plastic bags should not go in your recycling bin but you can drop them at Recycle bins at most major supermarkets.

Look out for the new recycling hubs coming soon, where you can dispose of household batteries, CFL globes, printer cartridges and aerosol cans.

These hubs will be at the City's Administration Centre, libraries and the Champion Centre.
