SOCIAL PRIORITIES

Things people love about...

We're continuing the Growing Our Community series where we highlight suburb-level results from our 2021 community survey. This project engaged with community members and service providers to gather feedback about local aspirations and issues, and was a vital element in identifying social priorities across our diverse suburbs.

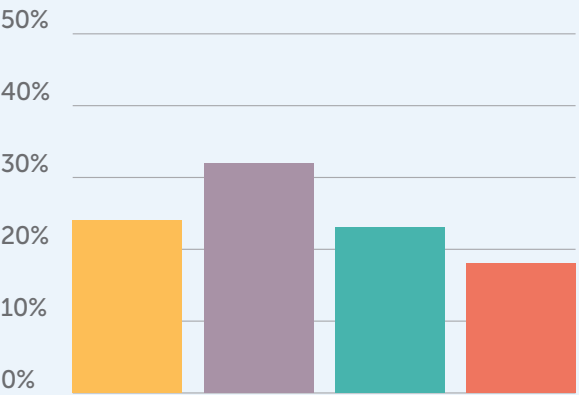

Champion Lakes

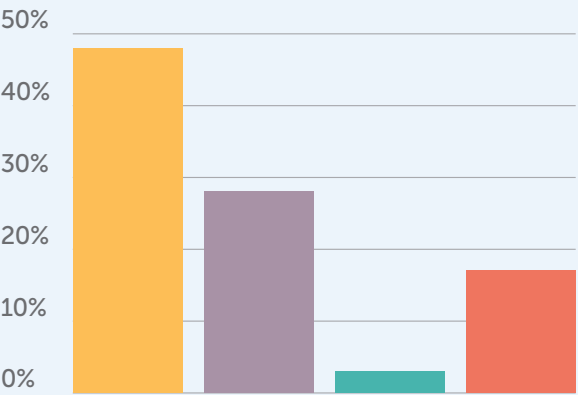

Very community-based neighbours. Whether you need a friend, a lift or simply a newspaper, someone is always willing to help."

Harrisdale

"I love everything. We have some great schools, wonderful parks, awesome walkways and we even have a waterway throughout the suburb."

Forrestdale/Haynes

Love how peaceful and friendly it is, great environment all round us. This area is perfect."
