ARMADALE ALIVE

Armadale Library

NEW LOOK

The wait is finally over – all three City of Armadale libraries are open and have returned to normal business hours!

During the COVID enforced shutdown Armadale library used the time to give its facility a face lift. Thanks to some of our local trades, a new lick of paint, new carpet and vinyl install, the Library is now sporting a fresh new colour scheme.

After moving more than 40,000 books and shelving for the upgrades to take place, the refreshed look library complements the extensions completed last year. The last part of the renovation will see a mural installed on the walls in the junior area over the next few weeks.

With social distancing and COVID safe practices in place, our friendly library staff can't wait to see you back.

Please continue to **#bekind** and help keep our community and staff safe by ensuring you follow the COVID safety guidelines and practice good hygeine.

Time for a garden clean up?

The City's autumn green waste verge collection is now underway.

ZONE 3 is scheduled to start pickup on the week of **13 JULY** so start getting ready if you want your tree and shrub pruning's collected.

TO FIND YOUR ZONE visit the City's website page **my-waste-collection day** or call **9394 5124** to speak with a Waste officer.

In the interest of our environment, boxes or plastic bags containing green waste will not be collected, as the green waste is mulched to be reused. If green waste is placed in plastic bags, or wax coated boxes, it contaminates the collection making it unsuitable for garden use.

Stay safe and remember to be careful around rubbish trucks at all times.

Native Plants for Residents

This great initiative to green our City is back on track – just in a different format this year due to COVID-19!

In partnership with the Armadale Gosnells Landcare Group, residents will be required to register their interest to attend a nominated collection point to receive 5 to 10 plants selected by the team, suitable for the location of their residence.

This plant give-a-way is scheduled for late August and at present we're working on the finer details. Don't miss out and keep an eye out on the City's website and Facebook page for further information.

NEW SERVICE: Mattress collection from your verge

A great new service commences from 1 July!

All residential properties paying a waste service fee can now book collection of up to two mattresses from their verge.

Mattresses will no longer be collected as part of the annual verge junk collection from 2021. For mattress bookings and more information visit **armadale.wa.gov.au/booked-mattress-collection** or call **9394 5444**.

CHOOSE TO REFUSE SINGLE-USE PLASTIC PLASTICFREEJULY.ORG

PLASTIC FREE JULY

Communities around the globe are concerned about plastic ending up in landfill and polluting the oceans, that's why 120 million people worldwide are choosing to be part of Plastic Free July.

- **Refuse single-use plastic**
- **Refuse plastic shopping bags: bring your own bag or use a box**
- **Refuse single-use cups: bring your own reusable cup or dine in**

Will you join the challenge?
